

*From the Principal - Mr Iain Belot*

Dear Parents and Carers,

Today we farewelled our Year 11 and 12 students for their study week. This is the final phase of the preparation for the external assessments of their courses. We wish all students every success in this period of their final preparations. A series of formal and informal activities have been organised over the coming days to support their efforts. Study week commences with a prayer breakfast next Monday. Parents of all Year 11 and 12 students are welcome to attend this event as we come together to cover the students in prayer for this important time.

The Final Assembly today also marked the commencement of the series of transition events for the Year 12 students. It was a time to express our gratitude for their leadership of our community. They have positively influenced our academic and service culture in impressive and lasting ways. Moving tributes of gratitude were offered by other year levels, especially the Year 7 students who benefitted particularly from the building bridges program. It is difficult to overestimate the influence that the example of our senior student leaders have on these younger students.

We have established a culture of affirmation and celebration for this day. There is fun and simple joy rather than vandalism and negativity. This year the senior class distinguished themselves by writing an individualised letter to every teacher. In part the cover letter read:

We Leavers wanted to leave something behind that will last a long time; something to make you smile; something that holds our memories....something that means something to both of us....you've had us for a long time. You've fought with us, for us, endured us, and the headaches we gave you, strived to make us understand something, encouraged us, smiled with us, laughed with us, understood our tiredness whilst battling your own, helped us, pushed us, dragged us towards our goals. There is so much that you have done for us that will stick with us throughout all our endeavours in the future.

The envelope even contained tissues.

We rightly conduct surveys to understand the value and quality of our work. As a school that prizes relationships at every year level, this is wonderful affirmation of the chemistry of respect earned in the shared journey over all the years of secondary education.

### **History Challenge**

It is with a great deal of joy that I am able to advise the community that James Tyers (Year 10) and a team from Year 5 and 6, namely, Lucas Boks, Jacob Lanting, Sam El-Tahche and Michael Shim have been awarded national prizes for their

year level. This means that they were judged to be the best in their year level in all of Australia. They will be flown to Canberra later this month to have their awards presented by The Honourable Dan Tehan, Minister for Education. This is an outstanding achievement and we doff our caps to such an outstanding achievement of scholarship.

### Staffing

It is with mixed feelings that I advise you that Miss Samantha Harris will be taking leave for 2019 in order to work with Youth With a Mission (YWAM). I am excited that Samantha is committed to living her faith for the benefit of others. I understand that her contribution to the lives of students within our school will be paused for a year. This is one of those occasions when we need to remind ourselves that God's plan for His Kingdom is greater than our personal hopes and preferences. I am sure that you will join me in wishing Miss Harris well in her mission to serve others.

Principal

Dear Parents and Families,

This week we have settled back into regular routines after a very successful Swimming and Water Safety program. Students had the opportunity to progress and refine their swimming skills over 8 lessons. Many stories of improvement and growth have been shared across all of our Prep to Year 6 classes. I would like to acknowledge and thank Henry Nugteren for his willingness to drive the bus to help make this program possible.

### **Year 5/6 Dance Night**

On Thursday night we had a great turn out at the 5/6 Dance Night. Between 7-8:30pm students went into Disco Mode, sharing the night with Year 5/6 students from Channel. Thanks to all of the parents that volunteered their time to help out on the night.

### **3-6 Athletics Carnival**

Also this Thursday students in Years 3-6 travelled up to the Domain Athletics Track for our annual Athletics Carnival. We were blessed with outstanding weather as students undertook a range of track and field events. There were two records broken on the day both dating back to 1996! These were Austin Hughes running 800m in 2 minutes 54 seconds and Harry Zimmerman running 200m in 31.69 seconds. All students gave their best on the day as Jordan and Jericho chants rang around the stadium. At this stage, Jordan are holding a handy lead, but this could all change after the K-2 carnival. This carnival will be held on Wednesday 7 November at the Primary School oval, running from 9:30am-12pm. We warmly invite parents and family members to this event. (Photos of the Athletics carnival on next page).

As with the 5/6 Dance Night, we had many parents volunteer to help out and the Athletics Carnival. We greatly value the partnership between parents and the school and thank all parents that gave their time to help on the day.

## FROM THE ART DEPARTMENT

Last week fifteen students entered a selection of artworks into the Youth Art & Student Photography exhibition at the BBX Royal Hobart Show. Out of those fifteen students, ten received awards. I wish to congratulate those who took the time to prepare and submit works for the show. The selection of works Calvin Christian School students submitted demonstrated the value we place on excellence in the Creative Arts. Well done to all who entered.

Australian Government  
Department of Education and Training

## 2018 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the **department**), to advise you that the department has requested that your child's school provide a *statement of addresses*, in accordance with the *Australian Education Regulation 2013* (Cth) (the **Regulation**).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of the student's parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

### Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

The National School Resourcing Board recently completed a review of the socio-economic status (**SES**) score methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. The information collected in the *statement of addresses* will be used to progress the Board's recommendations, which have been accepted by the Government.

Further information on this review and the Government's response can be found here:

<https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

### Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (the **ABS**), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here:

<http://www.abs.gov.au/websitedbs/D3310114.nsf/home/Statistical+Data+Integration+-+MADIP>.

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to contracted providers for the purposes of the provision of ICT support services to the department.

The department does not intend to disclose personal information to overseas recipients.

### What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, please ensure that your school has the most up-to-date and correct details for your family.

### Contacts for further information

Your school can provide additional information about the process for the *statement of addresses* collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: [seshelpdesk@education.gov.au](mailto:seshelpdesk@education.gov.au)
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at [www.education.gov.au](http://www.education.gov.au). The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.

If you wish to contact the department about privacy-related matters, please email the department at [EducationPrivacy@education.gov.au](mailto:EducationPrivacy@education.gov.au) or write to:
